Our objective is to help you, our drivers, have a great season on and off the track! We have many events set up to occur throughout the season to help our fans better interact with the drivers and vice versa. We are asking for help in any way you can give. It may be donated gifts that we can hand out to fans. Maybe someone on your race team can help us with some events. Have an idea/ideas for more fun activities? We'd love to know. Maybe even a monetary donation. The more we profit, the more the drivers profit! Our goal is to raise money to increase your points fund as well as help Airport Speedway itself. We are helping you so please help us help you! Below you will find a list of race dates and the activities that are scheduled for that night. A few dates are "up for grabs" if anyone has ideas or wishes for their team to host anything. We also have a few "surprises" in store for the drivers! Remember, this is for you!
